Tel. +91-487-2438485; fax: +91-487-237 1040

**Title of the article :** “D finger characters and quality parameters of *Nendran* banana (*Musa sp.*) as influenced by combined application of soil and foliar nutrition”

### **1. Declaration by Author(s)**

It is hereby agreed that the Author grants and assigns to the Kerala Agricultural University, Thrissur, Kerala (hereinafter called Publisher), the sole right to print, publish, and sell throughout the world the said contribution and parts thereof, including all future revisions and in any medium, such as in its electronic form (offline, online), as well as to translate, print, publish, and sell the contribution in any foreign languages and throughout the world.

The Author warrant that the contribution is original except for such excerpts from copyrighted works (including illustrations, tables, and text quotations) as may be included with the permission of the copyright holder and author thereof, in which case(s) the Author is required to obtain the permission and to indicate the precise source. The publisher has the right to permit others to use individual illustrations within the usual limits.

The Authors warrants that the contribution has not heretofore been published in whole or in part, that it contains no libelous statements and does not infringe on any copyright, trademark, patent, statutory rights or proprietary rights of others; and that they will indemnify the Publisher against any cost, expenses or damages for which the Publisher may become liable as a result of any breach of this warranty.

The Authors warrant that due credit has been given to all those involved in the work by way of authorship/acknowledgements and that the authors are willing to pay the current subscription of the journal before final acceptance of the paper.
